Chapter 1 by Story Wars

"C'mon Grig!" yelled Kate "They're already catching us up!"

At the time, the trees were burnt, and smoke filled the air.

Ashes covered the ground and everything was perfectly still.

There were no visible animals because all of the plants were burnt.

Kate and Grig were sent on a mission to leave the HUNT and bring back some game...

"Kate, go on and warn the HUNT, it be there soon!"

"Ok, but i'm warning you, they'll catch up with you!" yelled Kate "You better hurry!"

About five minutes latter, Kate was already long gone and Grig couldn't run anymore. He started to slow down...

"Help!"said Grig "Kate!"

But there was no response.

Grig couldn't run and decided to crouch down next to a nearby tree.

There, he waited for someone to come. He looked around but didn't see any humans. He decided to stay there and wait, after all, he was lost...

As he walked around he started to feel somewhat scared. He felt like someone or something was watching him.
